

Curriculum vitae of a faculty member

1- Personal data

Name: Baheeja Abees Hmood Al- Khalidi

The scientific title: Professor

Birth :1978

Nationality: Iraqi

Date of appointment 11-6-2003

**University of AL-Qadisiyah , Collage of Nursing -Medical and Basic Science
.Iraq**

General Specialization / Life Sciences / Specialization /Microbiology

E-mail baheeja.alkhalidi@qu.edu.iq

2- Educational qualifications

Specialization	Country	University Name	Year of Graduation	Degree
Microbiology	Iraq	University of AL-Kufa	2010	PhD
Microbiology	Iraq	University of AL-Qadisiyah	2003	Masters
Life sciences	Iraq	University of AL-Qadisiyah	2001	BSC

3- Scientific Experiences

Year	Employer	Occupation
2003-2006	College Medicine/ University of AL-Qadisiyah	Assistant lecturer
2006-2011	College of Medicine/ University of AL-Qadisiyah	Lecturer
2012-2016	College of Nursing/ University of AL-Qadisiyah	Assistant professor
2017- Tell Now	College of Nursing / University of AL-Qadisiyah	Professor

4-Research and scientific activities

	Detection of Gliotoxin in patients with pulmonary Aspergillosis
	RT-PCR detection of <i>SAP1</i> gene in <i>Candida albicans</i> isolated from Meningitis cases
	Comparison between Gram's stain, culture, Real – time PCR for diagnosis of <i>Neisseria meningitidis</i> in CSF Cases
	Molecular characterization of coagulase negative staphylococci isolates from clinical and carries specimens
	Detection of AFB1 in foods of primary school students
	Protective role of Ellagic acid against Ochratoxin A induced damage in kidney and Liver
	Study some biological aspects of fungi isolated from ocular cornea infected Patients referred to Al-Diwaniyah Teaching Hospital
	Pathological and histological effects of <i>Aspergillus fumigatus</i> secondary metabolites.
	Relationship between Ochratoxin A and Renal Failure
	Study the effect of pomegranate juice on reducing the effect of metabolic products of <i>Aspergillus flavus</i> in vivo.
	Molecular and Functional characteristics <i>Geotrichium</i> spp
	A Study about Bacterial Contamination In Maternity and Children Teaching Hospital.
	Molecular characterization of coagulase negative staphylococci isolates from clinical and carries specimens
	Detection of Aflatoxin B1 in secondary school students in Al-Diwanyia city

5-Administrative functions

Date	Administrative function
24/12/2012 To 5/8/2019-2012/12/24	Assistant Dean for Scientific Affairs/College of Nursing

6-Membership of scientific conferences and Journal

Year	conferences
2011	Member of the Preparatory Committee for the first International conference of the Collage of Medicin / University of AL-Qadisiyah

2015	Member of the scientific committee of the axis of sciences research at the second international scientific conference in the Collage of Science / University of AL-Qadisiyah
2015	Member of the Preparatory Committee for the first International conference of the Collage of Nursing / University of AL-Qadisiyah
2017	Member of the Preparatory Committee for the Second International conference of the Collage of Medicine / University of AL-Qadisiyah
2018	Member of the Preparatory Committee for the Unified Student .Conference for Research at the University of AL-Qadisiyah ,Iraq
2018	Chairman of the Preparatory Committee for the Student Conference for Research at College of Nursing at the University of AL-Qadisiyah ,Iraq
2018	Member of the scientific committee of the axis of sciences research at the second international scientific conference in the Collage of Science / University of AL-Qadisiyah
2019	Member of the Advisory committee at the Second international .conference of the Collage of Science / University of AL-Qadisiyah
2020	Chairman of the Scintific Committee for the Student Conference for Research at College of Nursing at the University of AL-Qadisiyah ,Iraq

7-Conferences and scientific seminars in which he participated:

Year	Name of conference or seminar
2007	The First Scientific Conference of the Collage of Science/ University of AL-Qadisiyah, Iraq
2008	Environmental Research and Pollution Prevention Seminar/ University of AL-Qadisiyah ,Iraq
2009	The Second Scientific Conference of Pure and Applied Sciences at the University of Kufa ,Iraq
2011	the first International conference of the Collage of Medicin / University of AL-Qadisiyah
2015	the second international scientific conference in the Collage of Science / University of AL-Qadisiyah
2015	the first International conference of the Collage of Nursing / University of AL-Qadisiyah
2017	the Second International conference of the Collage of Medicine / University of AL-Qadisiyah
2016	Scientific Conference of Veterinary Medicine /University of AL-Qadisiyah ,Iraq

2017	The First International Scientific Conference for Pure Sciences / University of AL-Qadisiyah, Iraq
2017	International Scientific Conference of Babylon Sciences / University of Babylon,Iraq
2018	the Unified Student Conference for Research at the University of AL-Qadisiyah ,Iraq
2018	the Student Conference for Research at College of Nursing at the University of AL-Qadisiyah ,Iraq
2018	Fifth Scientific Forum / 13th International Environment Conference in Antalya
2018	International Scientific Conference on Science and Technology in Turkey.
2018	International Scientific Conference in Dubai.
2018	Comparative calendar conference of the Faculty of Nursing University of AL-Qadisiyah
2019	The First International Conference of the College of Education / University of Al-Qadisiyah
2020	Virtual International Scientific Conference in University of AL-Qadisiyah
2020	International Scientific Conference in in University of Karbala
2020	First Virtual International Scientific Conference in of the medicine college/University of AL-Qadisiyah
2020	First Virtual International Scientific Conference of the Sciences college/University of AL-Qadisiyah
2020	International Scientific Conference in University of Babylon
2020	First Virtual International Scientific Conference of the college of Literature /University of AL-Qadisiyah
2020	First Virtual International Scientific Conference in College of Agriculture / University of Kirkuk.
2020	First Virtual International Scientific Conference in College of Agriculture / University of AL-Qadisiyah.
2020	First Virtual International Scientific Conference in College of Sciences / University of Wasit.
2020	the Student Conference for Research at College of Nursing at the University of AL-Qadisiyah ,Iraq

8-Courses, workshops and awareness lectures for the development of members of the collage of the University of AL-Qadisiyah, which participated as a coach and trainee.

The place of residence of the activity (the State, the institution that established the activity)	Type of participation (attendance / participation / lecturer)	Date of activity (month and year)	Nature of activity (seminar, conference, (seminar, lecture)
University of AL-Qadisiyah / collage of Sciences	participant	2019	Using the Excel program in statistical graphs in environmental analyzes
University of AL-Qadisiyah / collage of Sciences	participant	2019	Environmental technologies course
University of AL-Qadisiyah	participant	2019	Arabic language safety course
University of AL-Qadisiyah / collage of Education	participant	2019	Polymer basics course
University of AL-Qadisiyah / collage of Sciences	participant	2019	Applications in animal tissue culture
University of AL-Qadisiyah / collage of Medicine	participant	2019	Know the risks of radiation and how to avoid them
University of AL-Qadisiyah / collage of Nursing	participant	2019	Detection of microbial contaminants in food
University of AL-Qadisiyah / collage of Nursing	participant	2019	Smoking harms to health and society

University of AL-Qadisiyah / collage of Nursing	participant	2019	How to take care of elderly patients
University of AL-Qadisiyah / collage of Nursing	participant	2019	Pathological analyzes and biochemistry
University of AL-Qadisiyah / collage of Nursing	participant	2019	Parasites transmitted through daily bad habits
Imam Al-Kadhim University	lecturer	2019	Seminar on the effects of mobile phones
University of AL-Kufa / collage of Sciences ,Iraq	lecturer	2019	Seminar on the biological and medicinal applications of probiotics
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Al Ain Foundation for Social Care Seminar on sponsoring an orphan
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Cystic Pancreatic Tumors Symposium
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Medicines for bronchial asthma
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Early detection of breast cancer)
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Symposium on the occasion of the International Day of Civil Defense
University of AL-Qadisiyah /	participant	2019	Seminar on the effects of mobile phones

collage of Nursing ,Iraq			
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Seminar on the effects of mobile phones
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Chemical Safety and Security Course
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	A workshop to explain the mechanism of laboratory evaluation
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	A workshop on the courses system
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	A course on drug and chemical poisoning
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	International Workshop on Immunohistochemistry
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	The cycle of the devastating effects of substance abuse on society
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Cycle of diseases caused by water pollution
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	The use of mathematical models in biological aspects
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	A course of checking blood groups

University of AL-Qadisiyah / collage of Nursing ,Iraq	Lecturer	2019	A course on security, chemical, biological and radiological
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	A workshop on occupational safety in laboratories for chemistry branches
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	Chemical Safety and Security Course
University of AL-Qadisiyah / collage of Nursing ,Iraq	participant	2019	A workshop to explain the mechanism of laboratory evaluation
University of AL-Qadisiyah / collage of Science ,Iraq	participant	2018	Awareness lecture on climate change and future threats
University of AL-Qadisiyah / collage of Science , Iraq	participant	2018	Lecture on the biological diversity of protected areas
University of AL-Qadisiyah / collage of Science, Iraq	participant	2018	A symposium entitled "Planting green streets, its basics, its errors and its impact "on biodiversity
University of AL-Qadisiyah / collage of Science ,Iraq	participant	2018	A course on the safety of biological, chemical and radiological security
University of AL-Qadisiyah / collage of Vertinary medicine , Iraq	participant	2018	A course entitled Eliza technique
University of AL-Qadisiyah / collage of Science, Iraq	participant	2018	A course entitled Environmental techniques

University of AL-Qadisiyah / collage of Science ,Iraq	participant	2018	Course entitled e-learning
University of AL-Qadisiyah / collage of Science , Iraq	participant	2018	A course entitled White Sea Diet
University of AL-Qadisiyah / collage of Education, Iraq	participant	2018	A course entitled Analysis of semen
University of AL-Qadisiyah / collage of Science ,Iraq	participant	2018	Workshop entitled Patent is the ideal way to develop society
University of AL-Qadisiyah / collage of Medicine , Iraq	participant	2018	A course entitled Resistant Microbiology of Antibiotics
University of AL-Qadisiyah / collage of Engineering	participant	2018	Workshop on the keys to writing scientific research and acceptability in a scientific journal Scopus, ISI
University of AL-Qadisiyah / collage of Science ,Iraq	participant	2018	A course entitled General Budget and Financial Management

Note :Has been participating as a lecturer or participant in more than 150 workshops or seminars for the year 2020

9- Discussions

date of the administrative order	The sender of the thesis or thesis	(Discussion Type (Thesis, Dissertation
21-2-2013	University of Karbala / Faculty of sciences	thesis
3-2-2014	University of Karbala / Faculty of Agriculture	Project of PhD students
2015/1/11/	University of Al-Kufa / Faculty of Sciences	Thesis
2015-6-12	University of Al-Qadisiyah / Collage of Medicine	Thesis
2015-12-2	University of Al-Kufa / Faculty of Sciences	Project of PhD
2016-3-14	University of AL-Qadisiyah / Collage of Science	Thesis
2017-10-25	University of AL-Qadisiyah / Collage of Science	Thesis
2017-12-2	University of AL-Qadisiyah / Collage of Education	Project of PhD students
2018-4-13	University of Babylon / Collage of Science	Dissertation

2018-5-22	University of Al-Kufa/ Collage of Science	Dissertation
2018/9/20	University of AL-Qadisiyah / Collage of Education	Thesis
2018-12-14	University of AL-Qadisiyah / Collage of Science	Project of PhD students
2019-2-12	University of AL-Kufa/ Collage of Medicine	Dissertation
2019-10-15	University of AL-Qadisiyah / Collage of Education	Dissertation
2019-12-4	University of AL-Qadisiyah / Collage of Education	Project of PhD students
2020-4-22	University of AL-Kufa / Collage of Science	Thesis
2020-6-27	University of Babylon / Collage of Science	Dissertation
2020-9-6	University of Babylon / Collage of Science	Thesis
2020-9-28	University of AL-Qadisiyah / Collage of Education	Project of PhD students
2015-2020	University of AL-Qadisiyah /	Discuss the projects of the final grades

	Collage of Nursing	
--	-------------------------------	--

10- Thanks

I hold (123) letters of thanks and appreciation from various administrative bodies in the formations of the Ministry of Higher Education and Scientific Research.

11-Evaluation of research and promotion transactions (inside and outside Iraq):

I evaluated 85 research papers, 9 doctoral theses, and 24 master's thesis.

11-Standing and Temporary Committees

I have 35 permanent committees and 87 temporary committees in the University of Al-Qadisiyah and other universities and formations in the Ministry of Higher Education and Scientific Research

12-Subjects

Class &Department ,Collage ,University	Subjects
the second stage, Department of Environment, collage of sciences, University of AL-Qadisiyah	Environmental microbiology
the second stage collage of Nursing, University of AL-Qadisiyah	Pathophysiology
the second stage collage of Nursing, University of AL-Qadisiyah	Microbiology
the Third stage collage of Nursing, University of AL-Qadisiyah	Biostatistics
Graduate Studies – pHd Department of Life science , collage of Education University of AL-Qadisiyah	Microbial physiology
